INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

NOTE.—Affidavits should be made, whenever practicable, before a notary public, clerk of the court, or before a person having a seal. If sworn to before an Indian agent or disbursing agent of the Indian service, it need not be executed before a notary, etc.

John M. Tucker being first duly sworn, deposes and says:

That I am 62 years of age and live in Gilmer Co., Ga. I claim my Indian descent through my father and his father. My mother and grandmother were white women. My father's father's name was Consens. My grandfather was a full blooded Cherokee. My father was taken by some people named Tucker and raised by them. My grandfather had no other name. A man by the name of Nod Tucker took my father and raised him. My father was 82 years of age when he died. He was born in Cherokee Co., N. C. My father lived among the Indians in Cherokee Co., N. C. up to the time that the Indians were taken away. He came to Ga. about three or four years after the Indians were taken away from here. It was about 1842. My father was on a roll and drew money before I can recollect, before I was born. I went with my father to Murphy, N. C. the last time he drew money. I was 21 years of age at that time. I don't know how much money he got. He got some money from the government. I think he got about \$100.00. Swetland paid that money. I think my father was put on the Swetland roll. My father had some sisters and brothers - they were half brothers and sisters to him on the father's side. They went by the name of Walkingstick. Jim Walkingstick was one, Ake Walkingstick and she married a man named Roe. She married before they left this country, I guess. That's all I remember. They went to the Territory with the other Indians when they were removed from here. Jim Walkingstick and my father had the same mothers but different fathers. I have heard my father say that his family was enrolled but I couldn't tell you whether I was on any roll or not. My idea is that my grandfather was dead in 1835. Never heard of Isaac Tucker. My father lived on Valley River in N. C. I never lived with the Indians myself. When I was born my father was living with my mother and continued to live with her up to his death. He never lived with the Indians after I was born. I have a sister, Minerva Thomas, who drew money in the west with the Cherokees. She went west about 15 years ago. She is dead now. Lafayette Tucker is my nephew and he drew money in the west. He is living out in the west with the Cherokees now, if he is not dead. I think his postoffice is Flint, Okla. He is about 45 or 50 years old. I have a sister named Rebecca, Anna, Jane, Minerva. I had a brother named James, one sister named Sutizer and Lucretia.

I received your letter a few days ago requesting me to let you know whether my Father and Mother and my Grand Father Joseph Adams were ever enrolled as Cherokee Indians unknown by me. you also ask me if I ever was enrolled if not why unknown - by me my Mother and Father moved from the South-Carolina when I was a baby about a year old to Columbia Mo. Mother often spoke of her Father and his Mother being full blooded Cherokee Indians she quite frequently spoke about them getting rations from the Government she said as a rule all the Indians that lived in that part of the Country got

rations from the Government
the place that they got their rations
is Greenwood South Carolina we
have written to the South to
get more information we expect
to hear from the parties soon we
have wrote also to Mr William
Habb of Wichita Kansas for
some information from Mr Habb
a man that ever since he was a
small boy over 50 years ago at
least as I hear from them I will
let you know if I hear any
thing worth relating or that will
tend to prove up my claim
my Father did not claim to be
an Indian

Dear Sir,

I received your statement
saying that on the 28 of May
1906 that you reported to the Court
of Claims that my application
435 for participation in the fund
arising from the judgment of the
Court of Claims of May 28 1906
should be rejected.
Will you please advise me
wherein I failed to prove up
my claim and why you
rejected me since we had
the best witnesses that could be
found people that were fathers
and Mothers contemporaries
in the South Carolina and knew
that my Mother was half
Indian father knows that
I lived there when the treaty

of 1835 was made it seems to
me that being down there where
the treaty was made in
South Carolina and Grand
Father being a full blooded Indian
and Mother being half Indian
and known among the Indians
as such is enough to warrant
a substantial proof the treaty
was to those who had the Indian
blood and lived there that is

was made I cant understand
why one and our witnesses
were rejected please explain
let me know at once. I also

Mary C. Earnest being first duly sworn deposes and says

I was born in 1858 in Lawrence County, South Carolina. I claim my

Indian blood through my mother. My mother's name was Harriet G. Adams before marriage. My mother and grandfather were born in Lawrence District now called Lawrence County. My mother was born in August, 1825 and died ten years ago. She was living in S. Carolina in 1861. She moved away in 1858 and came to Columbia, Mo. My mother was married in 1842 to Squire Williamson. He was known as a colored man but was about three quarters white. My mother was a half blood Indian. She was a Cherokee Indian. My grandfather's name was Tony Adams. He went west with the Indians. His wife was a colored woman. She was a slave. I don't know anything about Tony Adams after he went West. My mother never got anything as an Indian. Her young master told her she didn't need anything is the reason she didn't get anything because they took care of her. William Bud is the one that told me this. He was the one that owned us in slave days. Margaret E. Stewart is my sister and John W. Williamson is my brother. Mattie A. Neal is my sister.

Your mother was born in Laurens Co S.C. as the records in the Bible show. She had been born quite a while before I was old enough to know her. She no doubt was there when the treaty was made & was a half Cherokee Indian as her hair & skin & form showed her to be. I would have to refresh my memory on dates of birth & treaty before testifying. Everything on the subject I suppose is in Columbia Ind & Decatur Ill. You could send me date of her birth & if a commission is issued to take my deposition or testimony.

Honorable Wm. B. McKinley,
House of Representatives,
Washington, D. C.

Sir:

Your letter of February 11, 1908, relative to the application of Margaret E. Steward, of Decatur, Illinois, for participation in the Eastern Cherokee fund, is at hand.

In reply I have the honor to state that Mrs. Steward's application has not been reached for final adjudication and we cannot advise you, at the present time, whether she is entitled to share in this fund, or the amount each successful claimant will receive.

When this office has completed the examination of the applications, grouped them into families, and in many cases where the applications and other proof are insufficient, taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these exceptions and the final roll has been approved by the Court no money can be distributed. As there are over 44,000 applications on file in this office it will necessarily take considerable time to complete this work.

#2--Hon. Wm. B. McKinley:

If there is any further information required in connection with Mrs. Steward's application she will be notified.

Mrs. Steward's letter is returned, herewith.

Very respectfully.

HENRY B. BABB, being duly sworn according to law, on his oath says: That he is a lawyer and is now engaged in the practice of his profession and resides in the City and County of Denver, State of Colorado; that from his earliest recollection to the year 1865 he knew Harriet Williamson and her husband Squire Williamson, who were colored people and, from a time long prior to affiant's birth until the emancipation of slaves in the United States in the year last mentioned, were the property of affiant's father; that affiant's father and mother and the colored people just mentioned were all natives of the State of South Carolina and together removed to the State of Missouri a year or two preceding the civil war.

Affiant further states that he distinctly remembers hearing the aforesaid Harriet Williamson say that she was "half Indian;" that she had "Indian blood," and that her father was an Indian; and affiant further states that it was commonly reported and understood in affiant's father's family, among both white and colored people, that the said Harriet Williamson's father was an Indian. Affiant further states that he does not remember further particulars that may have been well known to older members of his father's family because affiant was a small boy at the time of the emancipation above mentioned.

Dear Sir: Your letter of the 25th
of Nov. received, and in reply
to same will say. That if
my fathers name is not on
the roll as a Cherokee Indian
it is through a swindler of
agents for he paid to have
his name put on the roll.
But as for my grandfather
being enrolled as a Cherokee

I do not know, for he was
drowned in Chickamunga
River before I was born, But
he had a brother named
John Martin and if I have
not been misinformed his
name is on the roll. If there
is any other information
You desire let me know.

Name: Alfred Richardson and X children. Residence: Nashville, N.C.

Reasons:

It does not appear that any ancestor was ever enrolled, or that any ancestor was party to the treaties of 1835-6 & 1846. Ancestors did not live in the Cherokee country - not within 250 miles of the Cherokee domain. Shows no connection with the Eastern Cherokees.

Dear Sir:

Alfred Richardson, whose local attorney writes me from Rocky Mount, North Carolina, forwarded to me either in June or July, several affidavits in support of his application as an Eastern Cherokee distributee. These had not been verified by a notary public. My recollection is, without going through a mass of correspondence, that I sent these to you and desired to know whether you wanted them verified, thinking that perhaps a personal examination would be made which would render the affidavits unnecessary. I think that in the mass of business I know you have on hand, you overlooked it, as I can find no reply.

I would like you to ascertain if Richardson has been examined, or whether you desire the affidavits verified. If so, will you have the kindness to forward them for that purpose, to Jacob Battle, Esq., Rocky Mount, North Carolina.

Replying to your letter of the 6th inst. relative to the application of Alfred Richardson, would say that on December 27th, 1907, you forwarded to this office a letter from Richardson which contained practically no information, and in your letter you state that you have communicated with Richardson and informed him that the statements made in his letter were not satisfactory and that he should file some paper containing some actual facts in support of his claim. No affidavit seems ever to have been filed by Richardson and the only other communication received relative to his case is a letter received direct from him on March 27th, 1908. I suggest that you have Richardson file an affidavit embodying all the facts which lead him to believe that he is entitled to share in this fund.

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are ⁴⁴⁶to be enrolled with their parents.

You have already filed application No. for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. SEP 9 1907
No. 447 A

Hon. Guion Miller,

Special Commissioner--

Sir:---

In 1851,2, it appears that my fathers family was enrolled and drew emigrant money, to the amount of \$464.15. for his family 5 persons in all; as follows:

Anderson Springston,

Sarah Springston,

John L. Springston,

Johnson F. Springston,

Elizabeth Springston.

There was drawn as appears, at the rate per head, \$92.83.

Anderson Springston was my father, Sarah Springston was my mother--as named in the list referred to--they both appearing as emigrants--

I am the descendent of said named my parents--therefore under the decree of the Court, entitled to be recognized as such descendent of Anderson as one emigrant, and Sarah as one other emigrant---

I am therefore entitled to two shares of this money if at all entitled--

Also on the same line, and status, you will find, in the family of Sally Deerskin in Skin Bayou District, the name of George Deerskin therein--who is now known as George Waters, of Vian, Ind Terr--as I understand the rule or decree, he stands in the same relation to rights as I do--entitled to the shares of his father and mother---instead of Skin Bayou as I say, this family will be found in Illinois Dist. #298.

One other case as an illustration of my plea and position, see in Skin Bayou Dist, #183. the family of Al-sey Crawler, see last name in the list, Sarah--this person is now Sally or Sarah Thornton, of Vian, Ind Terr. she is the child of said Al-sey, by her marriage to John Crawler #180 in Illinois District, both of whom are emigrants--This makes Sarah or Sally Thornton heir to shares of two emigrant cherokees--two shares as descendents of two emigrant cherokees.

Ofcourse we three are each one person, but stand as the heir to two shares, one on the father and one on the mothers side---we cannot be the descendent of only one person--

I ask this for information and adoption--

Respectfully,

Vian, Ind Terr, Sept 5th, 1907.

The Hon. The Commissioner of Indian Affairs!

Sir:

In my letter of Oct 8th, inst, in regard to my ancestry, please let me explain more plainly who I had reference to therein as the families and persons I wished to trace by means at your disposal as I know, and it or they are as follows:---

Nancy Springston was my grandmother, she had three sets of children that I knew well, they were Springstons, Foremans, and Doubleheads, the Wilson branch of the her family I am unable to find, though they existed, and were Emigrant Cherokees---

My father was Anderson Springston, his own brothers were Edley, and Isaac Springston, his half brother was James Foreman, and Bird ~~Doublehead~~ Doublehead---

She had two brothers and two sisters, all of whom I find on the 1851, 2, roll I have of Emigrant Cherokees, according to my father and mother's knowledge imparted to me in their time-- and that is all and only what I know of they---

As my request recites I ask for such information as the office can give as will assist me in applying for the shares of those only to whom may appear as my relative: in whose shares I am entitled in whole or in part as the case may be--

My father was born in the year 1814, Oct 14th-- Anderson . This request I make in explanation of and in addition to the one made Oct, 8th, 1906, yesterday--in manuscript--

3 Sir:

4 In addition to shares applied for on persons who were
5 eastern or emigrant Cherokees as made by me heretofore, Sept, 22.
6 1906, and of Jan, 31st, 1907. I herewith add the following names to
7 the lists then made, and as applied for by me---

8 The names and relationship as far as known find here as follows:

9 On Jack or John Elliott, brother of my mother, and oldest of the
10 her family--he died en-route to the gold fields in California, prior
11 to the year 1861, ---

12 On Wau-se-de, or Oo-wah-wau-se-de, my fathers mothers brother, he
13 resided in Saline District, Cherokee Nation,--

14 On Ah-gah-loo-gah, or Whirlwind, or Storm, a member of the fam-
15 ily of said Wau-se-de above named---just what his relation was to
16 the said family I am now unable to learn, yet he was a member of the
17 family---

18 Then I ask that the members of said Wau-se-des family as found
19 of record on the rolls of 1835, and 1851,2, and also of 1846, be consid-
20 ered for me and in my behalf, as the widow or wife, as the child or
21 children of said Wau-se-de, whose shares would become mine as heir or
22 legal representative---

23 I make this application in addition and re-affirmation of said
24 former applications, and ask that the shares applied for herein and in
25 former applications be considered and paid to me under and by virtue
26 of the laws and rules applied in the settlement as made to the Old
27 Settler Cherokees some years since, and as made in 1851,2 to both class-
28 es of same people--and I also protest against the payment of this money
29 as percapita, because not so decreed by the Courts, but according to
30 the decree of the U.S. Courts in reference to this money, and as af-
31 firmed by the Supreme Court of the U. S. and as affirmed by Congress
32 appropriating said money to be paid according to said Court decrees--

1 I also protest against the re-view in any manner of this case
2 of any Court or Courts as to manner of distribution of the money,
3 as appears to be the move now, as appears to be requested by the Dept
4 of the Interior, because the Courts have done what Congress allowed ~~can~~
5 them to do, they decided the case, and the decision originally was
6 affirmed by the higher court, with such modifications as the history
7 of the case and the rights of the parties at interest was concerned,
8 and the Congress acted in affirmation of said decrees, by providing the
9 money with which to pay the SIXTY EIGHT YEAR debt---

10 I am entitled to my proportionate share of the money, provided to
11 settle with, this estate, and the Courts have fulfilled the duty of
12 settling the question, and cannot now review the case unless consent
13 Congress is again sought and obtained for such purpose---

14 I so hold, and ask for settlement of my rights in the matter
15 as decreed by said courts and affirmed by the Congress of the U. S.

16 This I make to apply to my own cases in particular, and cases
17 made by me in general---

18 Respectfully,

John L. Springston

as an Eastern
Cherokee, etc.

1.
The Hon. Com. of Indian Affairs.
H. E. Lapp.

Sir:

My grandmother on my father's
side was named Nancy. She
was a full blood Indian of the
Cherokee tribe.

She had four sets of children,
Springstons, Foremans, Wilsons
and Doubleheads. And as I
understand the case, she must
have been enrolled in 1833, 6.

1846 & 1833 or earlier than 1835.
I want to find her name and
her families by name.

My grand father's name was
John I think, he had by his mar-
riage to her three children.

Anderson, my father, & Isaac &
Edley Springstons my uncles
by the Foreman marriage.
She had one only I am aware
of, his name was Jim or
James Foreman.

By her Doublehead marriage
she had only one as far as I
know, his name was Bird
Doublehead.

Her marriage to a Wilson I
am lost.

She died prior to 1851. Now as
far as the Cherokee Indian

record will show for I wish
an examination thereof —
My father Anderson Spring
was born Oct 13 1814. and
I think Isaac was older
than he — Eoley I am unable
to say —

Memey my said grandma
had two brothers & two sis-
ters as I was informed by
my father & mother
both — and I ask as to
who her census shows they
were — if possible — as to
claim on them I cannot be
any to certain or not enough
to swear to positive.
I ask for such information
as is possible from the
rolls showing them so I
can apply with a certainty
they were all emigrants &
and resided in Delaware
Dist Cherokee Nation West
& I think in Tennessee
east — not far from
Gunters Landing on the
Tennessee River —

It is my desire to apply
for all possible where I
can on best share
such dues —

I may be compelled to give part
 hard and strain a little in
 applying for some shares but
 if the share is not given
 I am not to be doing it
 but because of an
 practice of fraud and
 I have seen
 the share is not given
 the share is not given
 that account I am
 compelled to be on record as far
 as possible, looking at that
 I claim to be my rights in the
 premises —

I am convinced much will
 be done in haste & incorrect.
 I probably intentionally fraudu-
 lent — the way the matter is
 conducted — by not knowing
 not one iota about the people
 or their ancestors — nor do they
 care

I ask all the favor
 possible — I will be more
 than obliged

Very Respy,

No. 447

General Claim Agency,

John L. Springston,

Vian, Oklahoma, Aug 29th, 1909. 190

Hon. Guion Miller,

Sir:

In the Bettie Rogers case in which I made inquiries of the Court as to filing--I have your letter of the 26th, refering to the case and of my "intimations in the case"--

I made the application for her in my own name, and as her best friend under the circumstances, and did so in order to secure her rights under the order of the Court--

I rather think I sent the papers to Congressman Creager to file for me so that I would be sure of their being filed, and he in reply to my request, refered the question and matter to a firm of Attys Kappler & Merilatt-- in the Bond Bldng.

The application in the case was made the 22nd day of July, 1909. and by J. L. Springston for said minor--and with a note to the clerk of the Court dated July 24th--

Since that time I received a letter from some one, not now remembered who, wanting formal authority as representative in the case, and as there was no grdn, and otherwise difficult to secure this authority I did not go that extent to do as wished--

I will this day write the C. and see if they have the case-- or what they have done with it---

Respectfully,

J. L. Springston

Vian, I. T. Aug 3rd, 1908

Hon. Guion Miller,
Special Agt.

Sir:--

In the matter of emigrant matters, I am asked to make inquiry by persons interested as to about the date the payment will be made to participants therein--especially those interested who are very poor and needy, of which there are a large majority who are entitled---

This year and the next will be hard on the poor, because the crops upon which they are dependent have failed in most cases, and in connection with the immense strain of expense imposed on that class of people by the govt in their land matters will make the burden of need great indeed---

In case the date for payment can be by Christmas, these people can make deals with merchants and the banks at from 100 to 350 per cent discount on the money they are to receive, and secure at least temporary relief thereby---

I understand that the office can from the progress already made in the preparation of the roll that it can give somewhere near the date the payment can be made, and is why I ask as I do for about the time---

You probably have heard of the great riches the people of the

Indian country is reaping now, especially in the oil regions, from the papers people distant from us suppose these people are just rolling in wealth from oil industries--it is supposed that probably five out of every thousand persons are receiving large amounts on oil leases--this was done by land grafters, in connection with the hold they held on the inside, with those in authority, as in all other crookedness in all branches of the service--and will be in this money matter beyond question--many of these people poor as they are, are waiting for a chance to be able to buy themselves provisions and prepare for the winter--they or many of them are a class the graft could not handle in the oil deals and they are rolling now, not in wealth, but in need and many in distress, and more plainly from the fact they have been told they would get this money at some time or other, at the same time they are in a doubt about receiving it at all-- because the laws are denying them the or their Nations money, not because the law denies them receiving it, but rules of the offices so deny them--at the same time we understand the money is fast evaporating.

Mr. Miller, I am asking this information for those who actually need help, and that I know of, and not for any other purpose,,and I can truthfully say that I am one of that class--

Vian, I. T. Sept 3rd, 1907.

J. L. Springston

to further & longer sustain
them, from Oct 1, 87 to Oct 1, 88
will cost them from 50 to
100 per cent additional on
their mortgages - So you
can understand my
position for them! -

It is distressing simple &
pure - nothing more
than we have had though
since Jan 1, 1899 - but
Crop failures now make
the situation doubly so -
True, each one has more
or less land of their allotments
but it costs about all the
rentals to keep up with it
Collect from their renters -
because they are all whites
& generally Democrats from
Kansas & who are here
to, by hook or crook skin
Mr. Dupin -
This is plain, but true nevertheless
Springston
mean getting pretty close to it but toughly.

Secretary Garfield
has been out here
viewing the country
generally, & I hope his
trip will be a benefit
to the people but from
what is known of past
conditions, there can be
no relief in sight as yet.

He has seen & heard from
this class of people & even
pleading for, but the weight
of influence will neces-
sarily be with the other
class.

Emigrant application #12509. of D. Coon--

Rejected for emigrant shares--

The Hon. Secretary of the Interior,

Sir:

I am directed by the above named applicant to secure from the department the list, and families of the persons here named, as supposed to have been enrolled in the old Cherokee Nation in 1835.

#48. Chin-Ubby, and family-- from Tennessee--

86. Chin-a-cue, & family from North Carolina.

220. Che-no-wee, and family, from Georgia--

#244. Che-no-wee, and family--

#260. Chin-ne-wee, and family--

The applicant desires this information to and from which to trace his ancestry back to that date at least--to show the Court of claims that he is the person he alleges he is---

The name really sought as it should be written properly is and would be Che-nah-que--or Tse-nah-que- but at times called Chin-no-by--

This asked from the rolls of 1835---

John I. Springston,

Vian,

Indian Territory.

Sir:-

Your letters of September 3rd and 5th are at hand, and in reply you are advised that it is impossible at this time to state when the Eastern Cherokee fund will be distributed.

More than 43,500 applications have been filed and the work of considering these applications and adjudicating them has just now begun.

Until all these claims have been adjudicated and the report of the Commissioner has been passed upon by the Court of Claims no money can be distributed.

It will necessarily take considerable time to do this.

Very respectfully,

Special Commissioner.

The Hon. Clerk of the Court of Claims.

Sir:

I see from notices received here in cases for emigrant money where reported for rejection, that the all exceptions made against the action taken and the proof in support thereof, must be in writing, must be in writing, and I fail to see why such should be the rule, because many of the applications &c. in same matters have been in type writing, equal to ink and by hand, and as durable, and more easily read and understood---

Or does the order cover only ordinary lead pencil writing?

I say this because I use typewriter most all the time, and in all cases--claims and otherwise---

I have wrote up two cases of this nature, and on type writer, and will hold until I receive advises further as to the extent of and effect of the notice---

We are prepared to except to the roll because there cannot be more than one half of the number of beneficiaries to this money now living, and as it has cost us so much so far, we are satisfied to receive less and have our rights recognized as descendants of the original emigrants, and only heirs, and not otherwise---

Respectfully,

John L. Springston

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 451..... for your own share of this fund, but it does not show whether you have any minor children. My name is Dayennie Grass. I was born in Saline District, in 1858. I was enrolled by the Dawes Commission as ~~Dayennie Grass~~ Tyannoe Grass, #14656, and received my allotment of land. I was enrolled as a full-blood. I do not know my fathers and mothers English name. My fathers Cherokee name was Uh-dah-chee-tleh, and my mothers Cherokee name was Se-tar-me. My father and mother were enrolled together in 1851 and I also had a brother by the name Sah-wah-nih who was enrolled. I do not know District my parents were enrolled in. I think that it was Saline District. (See 321 for father, mother and Brother) Both of my parents were emigrant Cherokees. Neither I nor any of my ancestors ever received any Old Settler money. I was enrolled in 1894 and drew the Strip Payment.

Sir, I have filed applications and no. 75-2, on Eastern Cherokee
enrollment. Therefore I will added on to those on my Father
side to wit: his mother's name was Si-dah-ne, or Si-dah-ni,
and his Father's name was Oo-too-sto-sah, But I do not
know whether they were enrolled in 1851, only I was told
my Grand father died just before the Payment made
in 1852. And also they were no English names.
Oo-too-sto-sah, and Si-dah-ni, that is my Father
Ah-dah-tan-li's Father and mother. This is all I can
relate in regards to that matter.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your father and your mother were living in 1851. Were they married then and were they enrolled together with the Eastern Cherokees? Give the names of your ancestors who were enrolled with them at that time. If they were not enrolled together, give the names of their families who were enrolled with them. Under what name was your father enrolled; the name given in your application, Nigarwa, does not appear on the Eastern Cherokee Roll of 1851; if he was enrolled then, as you state, it must have been under some other name. Kindly furnish us with that name, also the name under which your mother was enrolled. It will be impossible to make final disposition of your claim without this desired information.

Please give this matter prompt attention and refer in your reply to the number of your application.

Sir:

The Office is in receipt, by Departmental reference of August 3, 1907, of your communication of July 29, complaining of the failure of the Shufeldt Oil & Gas Company to develop the land covered by a lease executed in its favor by you, as guardian of your minor child, Jessie Walker.

In reply thereto, you are informed that bond covering the lease was approved by the Department on April 13, 1907.

Under the regulations, the lessee company is required to drill a well on the leased premises within one year from the date of the approval of bond, or if it so desires, it may have the privilege of suspending operations for a period of not exceeding five years, on the payment of one dollar per acre per annum additional rental. The Department reserves the right, however, to require immediate development if it seems necessary to protect the interests of the lessor.

Dear Sir:- In reply to your letter of recent date with reference to my claim Appln No. 494 would say, my Father and mother was not enrolled as eastern Cherokees for the reason that neither one of them went with the tribe to the territory, but remained in Tenn. My grandparents went with the tribe and I presume were both enrolled with the others of the tribe. I have very little information as to the names of my uncle and Aunt is as follows, my uncle was known as "Mark" and my aunt as "Ruhy" I do not know whether these were the real names of them or whether these were their only names, or their correct names I am unable to say, I only can say that these were the names they were known by in Tenn before going to the territory. I have never been enrolled for the reason that I have never been with the tribe in the Territory. The only information I have as to my uncle and Aunt is what my Parents told me of them as I was to young at that time to remember anything about them. If I can furnish you any other information Please let me know, I was very young when the tribe went to the territory and know very little of my relatives except my parents.

Report as to the application of William P. Hyde,
No. 500, and other claimants tracing
descent from Betsey Walker.

- - - - -

There are a large number of applications from persons claiming their Cherokee descent only through one Betsey Walker, alleged to have been a full blood Cherokee Indian and to have been allotted under the Treaties of 1817 and 1819 with the Cherokee Indians, and also said to be a sister of one Richard Walker, who was also allotted under the above Treaties. It is also alleged that Betsey Walker, the ancestor of these claimants, was enrolled in 1835.

Color is given to these claims by the fact that there was a Betsey Walker enrolled in 1835, and by the further fact that the name of Richard Walker does appear as an allottee under the Treaties of 1817 and 1819. No one of these claimants was enrolled in 1851 with the Eastern Cherokees, and no ancestor was enrolled at that time nor in 1835, unless the Betsey Walker referred to above was the ancestor of these claimants. A close examination of the Roll of 1835, however, not only throws doubt upon the claim that the Betsey Walker there named was the ancestor of these claimants, but also makes it appear very doubtful whether the Betsey Walker there enrolled was in herself a Cherokee Indian. The name appears with the following entries: under "Heads of Families, Indians, Half-breeds, Quadroons, and Whites" the name of "Betsey Walker" is entered; under the head of "Residence, State and County, and Watercourse" is entered "McMinn City, Tennessee, Mouse Creek"; under head of "Males over Eighteen Years, one"; no entry under "Females"; "Total Cherokees, one"; then follow entries as to "Slaves, Farms, Crops, etc.," until the entry under "Half-breeds, one", and under "Weavers, Spinners and Reservees, one each".

If these entries are correct, it is obvious that the beneficial party enrolled was a male over eighteen years and under twenty-one years of age, and Betsey Walker was only named as the head of the family because of some relationship or guardianship over this minor. It further appears that the party thus enrolled was a half-breed and not a full-blood Cherokee as claimed, and further that the beneficial party was a reservee, while Betsey Walker was not in fact a reservee, as is shown by the official reports of the Indian Office. That there was a reservation made for the beneficial party is perfectly plain from the record.

That white persons names were entered as head of families is demonstrated by the fourth name below that of Betsey Walker, Emily Walker, who was enrolled as a head of a family, but is shown by the subsequent roll of 1851 to have been a white woman without Indian blood but married to a Cherokee Indian, and her children were entitled to enrollment, she representing them as the head of the family.

The testimony in this case is somewhat uncertain as to the exact place of residence of the Betsey Walker ancestor of these claimants, but so far as the testimony goes it strongly tends to establish the fact that their ancestor was living in North Carolina, if living at all, in 1835, while as shown above the Betsey Walker enrolled in 1835 was living in Tennessee. There is also some uncertainty as to the date of the death of Betsey Walker, but if she was in fact living in 1835 she must have been extremely old. Harvey L. Moody, Application #32491, who was himself born in 1838 and who names a brother born in 1825, sets forth the fact that he is claiming as the great-great-grandson of Betsey Walker; Nancy T. McDaniel, Application No. 34979, who was born in 1830, likewise claims as the great-great-granddaughter of Betsey Walker; and Rebecca E. Ashe,

Application No. 3597, who was born in 1883, claims as the great-great-great-great-granddaughter of Betsey Walker. These facts certainly go a long way toward establishing the extreme age of Betsey Walker, if living in 1835.

Another inconsistency, though not a serious one, is the fact that Betsey Walker is alleged to have been the sister of Richard Walker, but her children were also known by the name of Walker. Who her husband was nowhere appears in either the applications or in the testimony.

Various reasons are given by the claimants for the fact that they or their ancestors were not enrolled in 1835 and 1851, as will be seen from the following extracts from replies to letters to the claimants asking for their explanation:

Joseph Burton Sherrill, Application No. 13882, on December 4, 1907, states:

"I have to say that they did not enroll on account of the Indian blood as it would have cut them out of the free schools among the whites at that time. My descendants were all white people, Anglo-Saxon, save the Indian blood shown from Elizabeth or Betsey Walker."

William B. Sherrill, of Whittier, N. C., Application No. 11379, on December 3, 1907, states:

"It was from choice not to be enrolled at that time on account of the Cherokee blood. They were self-supporting and too high-minded at that time to claim the Cherokee blood, as it would have cut them out of the free school at that time in the white school."

Laura Nations, of Whittier, N. C., Application No. 2026, on December 4, 1907, states:

"So as I understand, when the Eastern Cherokees was wanted to be moved, or in other words was wanted to be moved West, those two little Indian children were caught by the soldiers and was given to an old citizen by the name of Felix

Walker, and afterwards they was allotted land and enrolled."

Note: If Betsey Walker was captured at that time by the soldiers and was then a "little Indian", certainly she could not have been the ancestor of these claimants.

John B. Raby, of Whittier, N. C., Application No. 37041, on November 4, 1907 states:

"My grandmother, Mary Hyatt Sherrill, I suppose chose not to be enrolled for some unknown cause to me in 1851.
* * * * My grandmother, Mary Hyatt Sherrill, was a white woman except for the per cent of Cherokee Indian blood which she contained."

Lycurgus L. Sherrill, of Marble, N. C., Application No. 34791, states:

"In regard to the enrollment of myself, my mother and her father, it was their choice not to be enrolled at that time on account of their Indian blood. They deemed it best not to enroll and claim the Cherokee blood which they certainly possessed, as it would have cut them out of the free schools in the white schools."

William H. Leatherwood, of Waynesville, N. C., Application No. 34731, on December 11, 1907 states:

"I can not give any reason for my great-grandmother, Elizabeth or Betsey Walk or Walker not being on the roll of 1835 or 51. Neither can I give any reason for the name Leatherwood not appearing. Only at that day and time they might have thought there was no benefit in the future by so doing, and why I have not been enrolled is from the fact that the evidence necessary could not be obtained by record and the people of that day have about all passed away."

Jasper N. Leatherwood, of Myrtle Point, Ore., Application No. 35436, states:

"None of us ever lived with the Eastern Cherokees as a member of the Tribe, unless it was my great-grandparents."

W. T. Smith, of Waynesville, N. C., Application No. 35442, states:

"Jacob Owen and wife, Elizabeth, whose maiden name was Elizabeth Leatherwood, lived with the Cherokee Indians in Cherokee County, N. C., on Tusquittee Creek, Waters of Hiwassee River about the year 1835 and after and it may be that they were temporarily absent when enrollments of 1835 and 1850 were taken. Samuel Leatherwood I am informed likewise lived in Cherokee County about said dates and died in the Cherokee reservation. I am informed that they were recognized as Indians and got full use of lands as such. Betsey Walker is on Roll of 1835, as I am reliably informed."

Eliza Seay, of Bryson City, N. C., Application No. 4555, on December 15, 1907 states:

"As to our enrollment in 1851 there was no call for any only full-blood Cherokees, so we had no opportunity as I have always heard."

William P. Hyde, of Cherokee, N. C., Application No. 500, on December 16, 1907 states:

"Betsey Walker and Richard Walker was brother and sister, according to evidence and was enrolled in 1823, Richard Walker taking a claim in Jackson County, N. C., Betsey Walker taking a reservation in the State of Georgia. Betsey Walker married Edward Leatherwood. The Leatherwoods, a great many of them, was enrolled enrolled in 1836. Betsey Walker was a full-blood Indian, according to evidence."

Note: The statement that a great many Leatherwoods were enrolled in 1836 is certainly erroneous, as the name of Leatherwood does not appear either on the Eastern Cherokee Roll of 1835 or 1851.

Margaret Shuler, of Dillsboro, N. C., Application No. 4559, on December 26, 1907 states:

"I have no way of knowing why my father, grandfather and great-grandfather were not on the Rolls of 1835 or 1851. The only reason that I can form is that in moving the Cherokees West my ancestors desired to remain in this country and would not for that reason claim Indian blood."

The testimony in regard to these claims will be found in Miscellaneous Testimony, Pages 1538, 1657, 1658, 1704 and 1705.

Mrs. Lillie Wiggins, forty-seven years of age, testifying on behalf of Nora Rochester, Application No. 13867,

states:

"I don't think Nora's mother or grandmother ever lived with the Indians as members of the tribe. I never heard of any of Nora's ancestors being on any roll, except that it is said that Elizabeth Leatherwood was on one of the early rolls way back, but don't know what one or when. The mother of Nora was recognized in the community as a white woman. Never heard of any of her ancestors receiving any money from the Government except Elizabeth Leatherwood but don't know when and where she received it. Never heard of any of Nora's ancestors taking part in any Indian deliberations or councils."

Harvey L. Moody, 69 years of age, testifying at Whittier, N. C. in behalf of himself and his wife, who makes claim through the same source, Misc. test. pp. 1657 and 1658, states:

"I claim Cherokee Indian blood through my mother. She always claimed to have Cherokee blood. I have never received any Indian money from the government and never have made application prior to this time. My mother never received any Indian money. My mother was a recognized white woman and was never enrolled. I have seen my grandparents, John and Sallie Leatherwood. They lived in Haywood County (N.C.). They both claimed Indian blood. They never lived with the Indians as Indians but lived amongst the Indians. My grandfather was a recognized white man and a voter. I do not know why he was not enrolled. In 1835 my grandparents lived on Johnson's Creek, Haywood County (N.C.). And again, "Cordelia Moody is my wife. She claims Indian blood through the same line I do. She never received any Indian money from the government and her parents never received any that I know of. Her parents were never enrolled that I know of. I did not know Edward Leatherwood, nor his wife, Elizabeth Walker, and she was the daughter of Betsy Walker. I cannot say when Betsey Walker lived. My mother was born about 1804 or 1805. I claim no other Indian blood than through Betsey Walker. I cannot say when Betsey Walker died. I do not know if she lived during my mother's lifetime. I never heard my mother speak of having seen her. I cannot say if Betsey Walker was living in 1825. Do not know when she lived or when she died. I do not know where she was born but have heard that she lived somewhere near here and was supposed to have owned the land where Bryson City is now built. I do not know if she or her husband owned the land where Bryson City is now built. I never heard what kind of Indian blood Betsey Walker^{had} nor how much Indian blood. I heard others say that she was a full blood Cherokee. I never heard my mother say this. Never heard my grandfather say this. I have heard William P. Hyde say so. I do not recollect anybody else having said that Betsey Walker was a Cherokee Indian except (Wm) Penn Hyde. I heard him speak about this first six or eight years ago."

William Penn Hyde, 65 years of age, (the one referred to above in the testimony of Harvey L. Moody) testified at Bryson City, N. C., as follows:

"My grandmother moved here and was given land in the Indian boundary. This was my grandmother who was a Leatherwood. She married Ben Hyde. Betsey Walker was her mother. The evidence that I have according to the affidavits I have shows she was a full blood. Betsey Walker was captured by the soldiers and given to a white man named Walker who raised her. The man who raised her lived near Dillsboro (Jackson Co., N. C.). He also raised Richard, her brother. When the treaty was made I think Betsey Walker's reservation was in Macon County. I never saw Betsey Walker. Betsey Walker died in Macon County and was buried there. My grandmother lived and died in Swain County, about a mile from Bryson City. She died about 1841. I do not know if my mother ever got any Indian money from the Government. I have never received any Indian money. I remember when Chapman made the payment in 1852. I did not share in this payment. I remember when Hester enrolled the Indians. I did not make an effort to be enrolled then. I have lived among the Indians most of my life but was never admitted to tribal councils. My mother was a recognized white woman. I have always been recognized as a white man and a voter."

Eliza J. Seay, 65 years of age, testified at Bryson City, N. C. as follows:

"I claim Indian blood through my father, Uriah Burns. My father never received any Indian money from the Government. He claimed his Indian blood through his father, Hezekiah Burns. Hezekiah's father was Arthur Burns who married a daughter of Betsey Walker. I have always heard that she was a full-blood Cherokee and was captured at the time of the treaty. My grandfather lived in Georgia and Alabama and came and stayed with us when I was about 15 years old. My grandfather lived with the white people. We have always passed as white people yet I have always claimed Indian blood. The men in our family have always voted. Sam Burns went to Georgia and the sister went to live on Johnathan Creek in Haywood County (N.C.). She was Sallie Leatherwood. My great-grandfather lived in Haywood County when my mother was first married. I claim all my Indian blood through Betsey Walker."

The testimony and the statements of the claimants in their applications and letters fail to establish the fact that they or their ancestors were recognized members of the Eastern Cherokee Tribe of Indians in 1835 or in 1846, and fails to overcome the negative fact that their immediate ancestors living in 1835 and 1851 were not enrolled with the Eastern Cherokees. The evidence taken in connection with the other facts would seem to

establish the fact that the Betsey Walker whose name appears on the Roll of 1835 was not the Betsey Walker the ancestor of these claimants.

For the above reasons these claims are all rejected.

Dear Sir:-

We are in receipt of a letter from Mrs. Sarah Melvina Cross, dated June, 24th, in answer to a letter which we wrote her on the 22nd instant in regard to her employing us to look after her Indian claim. We enclose you herewith her letter, which is self explanatory. If she has written you nothing to the contrary we trust you will let her claim remain in our list. When you have read this letter kindly return same to us for our file.

We note what you say in your letter about having power of attorney for Mrs. Cross and would be glad to know if you will require all attorneys who represent claimants to have powers of attorney from each claimant. We have not asked our clients to give us power of attorney but only made a contract with them to look after their claims with the understanding that if any should receive anything it would be sent to us. If you do require power of attorney for each claimant please notify us to that effect and we shall procure them as soon as possible and if necessary mail them to you. It will take some little time and trouble to do so, however, as some of our clients live away from here but if it is required we shall only be too glad to do so.

Yours truly,

Dear Sir:-

We are in receipt of your letter of the 20th instant relative to application #504 of Sarah Melvina Cross and note what you say. We do not understand why Mrs. Cross has taken this course and are very much surprised that she wrote such a letter to you. She came from Graysville, which is something like sixty miles, in order to have us prepare her claim and file it and we then made contract with her in the presence of her brother, Jas. Harvey Helton, who lives in this city. We do not care however about continuing in her employ since she does not want us. We have no power of attorney from her but made contract the day she was here. We are writing her to day asking her why she wrote you the letter stating that she never employed us. We shall notify you later what she says.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, we beg to inform you that the names of your parents and grandparents, as given in your application, do not appear on the rolls of 1835-36 1851. Please state both the English and Indian names of your father as correctly as possible, and if he were enrolled in 1851, please state where, and under what name.

Can you furnish us with evidence tending to establish the fact that you are a descendant of persons who were recognized members of the Eastern Cherokee tribe of Indians at the date of the Treaty of 1835-36 and 1846? If so, please state what the evidence is, and send us the names and correct addresses of any witnesses who will testify to that effect.

Very respectfully,

Special Commissioner.

Dear sir,
I enclose you herewith two affidavits, one made by Mrs Lizzie Jackson of Bartles Ville and the other made by my self. In my application for my part of the funds appropriated by act of Congress of June 30th 1906. in favor of the Eastern Cherokees, I made a mistake in my Grand mother's name and called her Wa kee when it should have been Katie or Caty Dirt Pot. The name is spelled both ways on the Emigrant Cherokee Pay Roll of 1852. and for that reason I suggest both ways of spelling it.

I respectfully ask that the name be changed on my application that it will not cause trouble in the future. Oblige,

Lizzie Jackson

Personally came, this day before me a notary public, within and for
the above named district and territory, Lizzie Jackson, who, after being
duly sworn as the law directs, deposes, and says:-

I am Fifty two years old, My name is Lizzie Jackson, I am recognized as
a full blood Cherokee Indian. My Postoffice is Bartles Ville I.T.

I realize and understand the nature and meaning of an oath. I am person-
ally and well acquainted with Susan Trotting Wolf, a Cherokee Indian wo-

man who lives near me about five or six miles south of Bartles Ville I.T.
and have known her all her life. I was also well acquainted with her fa-
ther (Dirt Pot) who was also a fullblood Cherokee Indian, and was a cit-
izen of Cooweeskoowee District C.N. I was also well acquainted with his
mother Katie, or Katy Dirt Pot who was the grand mother of the above
mentioned Susan Trotting Wolf, and the mother of the above mentioned Dirt-
Pot; The above mentioned Susan Trotting Wolf having informed me that she
had given the name of her grand mother as Wa kee Dirt Pot, and I inform-
ed her that she was mistaken. Hence; This affidavit.
Susan Trotting Wolf's grand mother was not named Wa kee Dirt Pot, but
was named Katieor (Katy) Dirt Pot, and was a fullblood Cherokee Indian
and lived in Cooweeskoowee District, Cherokee Nation, IT.
I do not know when Katie Dirt Pot died, but she died a good many years
ago. I have no interest in the claim of Susan Trotting Wolf against the
Eastern Cherokee funds and make this affidavit of my own free will.
